

# THE DOWNBURST

MICROBURST AND MACROBURST

T. THEODORE FUJITA

THE UNIVERSITY OF CHICAGO

# TABLE OF CONTENTS

CHAPTER 1	HISTORY OF DOWNBURST IDENTIFICATION	1
CHAPTER 2	OBSERVATIONS OF MACROBURSTS AND MICROBURSTS	8
	2.1 Planetary scale	8
	2.2 Appearance of macrobursts	9
	2.3 Appearance of microbursts	11
CHAPTER 3	MICROBURST-RELATED AIRCRAFT ACCIDENTS	19
	3.1 Effects of wind shear upon lift force	20
	3.2 Microburst-related accident cases	21
	3.3 Accidents during takeoff	23
	<i>Strong wind shear at low altitude</i>	24
	<i>BOAC 252/778 at Kano</i>	25
	<i>Continental 426 at Denver</i>	26
	<i>Pan American 759 at New Orleans</i>	28
	<i>Continental 63 at Tucson</i>	32
	3.4 Accidents during the final approach	33
	<i>Pan American at Pago Pago</i>	34
	<i>Eastern 902 and Eastern 66 at JFK</i>	35
	<i>Royal Jordanian 600 at Doha</i>	41
	<i>Allegheny 121 at Philadelphia</i>	43
CHAPTER 4	NIMROD AND JAWS NETWORKS	45
	4.1 NIMROD Network near Chicago, Illinois	45
	4.2 JAWS Network near Denver, Colorado	49
	4.3 Identification of microbursts by computer	53
	4.4 Meteorological parameters of microbursts	60
	<i>Direction of peak winds</i>	61
	<i>Peak windspeed of microbursts</i>	63
	<i>Duration of half-speed winds</i>	64
	<i>Temperature and dew-point temperature</i>	65
	<i>Surface pressure in microbursts</i>	66
	4.5 Diurnal and spatial variations	68

<b>CHAPTER 5</b>	<b>TYPES OF MICROBURSTS AND PARENT CLOUDS</b>	<b>70</b>
5.1	Classification of microbursts	70
	<i>Wet and dry microbursts</i>	70
	<i>Stationary and traveling microbursts</i>	71
	<i>Radial and twisting microbursts</i>	72
	<i>Midair and surface microbursts</i>	72
	<i>Outflow and rotor microbursts</i>	73
	<i>Microbursts with misocyclones</i>	74
5.2	Classification of parent clouds	75
	<i>Anvil cloud and supercell</i>	75
	<i>Bow echo</i>	76
	<i>Isolated shower</i>	76
	<i>Cumulus cloud</i>	77
<b>CHAPTER 6</b>	<b>SPECIFIC CASE STUDIES</b>	<b>78</b>
6.1	Yorkville microburst 5/29/78	79
6.2	O'Hare microburst 6/7/78	81
6.3	Bow-echo microburst 6/25/78	83
6.4	Flat tire microburst 5/19/82	85
6.5	Rotor microburst 6/30/82	87
6.6	North Platte Valley microbursts 7/8/82	88
6.7	Bow-echo microburst 7/14/82	90
6.8	Denver area microbursts 7/14/82	93
	<i>Diverging dust microburst</i>	94
	<i>Ring of dust microburst</i>	95
	<i>Rit Carbone microburst</i>	97
6.9	Giant anteater microburst 7/16/82	100
6.10	Andrews AFB microburst 8/1/83	107
6.11	Huntsville boat microburst 7/7/84	109
6.12	Memphis Airport microburst 10/20/84	116
