# Contents

- vi** **Saving America's Soul Kitchen**  
For jazz genius Wynton Marsalis, the rebuilding of New Orleans can help re-create America
- 2** **Images**  
Memorable photos of a remarkable storm
- 28** **Hard Times in the Big Easy**  
From Mardi Gras to *A Streetcar Named Desire*, why New Orleans is the hot sauce in America's cupboard
- 34** **New Orleans Under Water**  
Graphic: Why and how the city's levees failed
- 36** **9 Days of Disaster**  
An hour-by-hour account of a city under siege
- 54** **Katrina's Last Casualty: Truth**  
When facts are scarce, rumors flourish
- 56** **Viewfinder: Thomas Dworzak**  
A photojournalist's portfolio
- 64** **Catastrophe Along the Coast**  
The graceful, grand old coastline of Mississippi takes a beating from Katrina's winds and waves
- 74** **A Calamity Waiting to Happen**  
Graphic: The Gulf Coast's fragile ecosystem
- 76** **Viewfinder: Chris Usher**  
A photojournalist's portfolio
- 82** **In Katrina's Wake, a Time for Heroes**  
Governments may have faltered when the storm struck, but Good Samaritans helped their neighbors
- 88** **Power Failure**  
Why government agencies—at all levels—let down the people of the Gulf Coast in their time of need
- 96** **No Direction Home: Katrina's Diaspora**  
In the greatest internal U.S. exodus since the Depression, Katrina's victims seek shelter
- 102** **Viewfinder: John Chiasson**  
A photojournalist's portfolio
- 106** **A Whirlwind of Generosity**  
Stirred by a great natural disaster and a fumbling, man-made response, Americans pitch in to help out
- 110** **Dirty Work**  
With their homes in shreds and tatters, Gulf Coasters begin a massive cleanup job
- 118** **A New Dawn for the Crescent City?**  
President George W. Bush pledges to rebuild New Orleans. But whose vision of the future will prevail?
- 122** **Viewfinder: Robert Stolarik**  
A photojournalist's portfolio
- 128** **Paths of Destruction**  
Graphic: Hurricane Rita draws a bead on the Gulf
- 130** **Hurricane Rita: Déjà Vu All Over Again**  
A monster storm slams into eastern Louisiana and Texas, but with Katrina's example, lives are saved
