Table of Contents

Chapter One. GENERAL FEATURES OF THE OZONE AMOUNT (A. Kh. Khrgian)	1
Chapter Two. OZONE OBSERVATIONS IN MOUNTAINS AND THE AEROSOL COMPONENT OF SCATTERING (G. I. Kuznetsov)	51
Chapter Three. VARIATIONS OF OZONE CAUSED BY VERTICAL MOTIONS IN THE ATMOSPHERE (A. Kh. Khrgian and A. V. Kondrat'eva)	56
Chapter Four. VARIATION OF THE TOTAL OZONE DURING TOTAL SOLAR ECLIPSE AND AN ATTEMPT AT ITS INTERPRETATION (A. Kh. Khrgian and G. I. Kuznetsov) . . .	66
Bibliography	71
Appendix I. MAXIMUM AND MINIMUM OZONE AT AROSA	75
Appendix II. MONTHLY OZONE AMOUNTS AT IGY STATIONS IN 1957—1959.	76
Appendix III. MAXIMUM AND MINIMUM OZONE AT IGY STATIONS IN 1957—1958.	78
Appendix IV. FLUCTUATION AMPLITUDES OF THE TOTAL OZONE AT IGY STATIONS IN 1957—1958	86
Appendix V. OZONE AMOUNT IN MOSCOW IN 1934—1935	90
Explanatory List of Abbreviations	90
